Take a photo of yourself

Hi Michael,

Just a reminder, you'll need to take a selfie for us by Dec 9, 6:16 AM GMT to finish booking this listing.

We match your selfie photo to the ID you gave us, to check that you're really you. We use the selfie to verify your identity—it will not be posted to your profile or shared with hosts.

Once that verification is done, you'll be all set to finish your reservation. If it is not done, the booking will have to be canceled.
